

Tiger Preservation Event in the Year of The Tiger!

“A Day To Celebrate The Tigers Fundraiser”

You are invited to support an important mission at an event that will take place on April 9th, 2022 from 11 AM to 1 PM, at the Diamond Valley Lodge, located right on the edge of the Temecula Wine Country.

Diamond Valley Lodge is a one-of-a-kind tiger habitat and conservation sanctuary taking on a fantastic tiger preservation challenge. Diamond Valley Lodge has been passionate about their mission (since opening to the public last October 2021) to the delight of families and animal enthusiasts alike. Every dollar counts in this important mission for tiger and wildlife conservation.

The purpose of the fundraiser is to benefit the tiger population, as well as the Sage Tiger Institute, which provides wildlife conservation education at no cost to under-privileged youths, local students and those seeking higher education within the zoological community. The event will also encourage future animal preservation efforts.

The fundraiser will feature an up-close encounter and introduction to the menagerie of Royal Bengal Tigers, in an intimate Zen Garden setting, which will include a question and answer session. Watch our Wildlife Team hand-feed our tigers right before your eyes! This will be an exciting way to learn so much about these majestic creatures from just breaths away!

This is a great event for families and animal lovers alike! Guests will enjoy an appetizer buffet, which will include an olive oil tasting sponsored by Temecula's award-winning Olive Plantation, as well as champagne, wine, beer, and soft drinks.

Visitors can take home artwork created by real tigers or other tiger memorabilia from the on-site gift shop.

There will also be an opportunity to purchase an exclusive, one-of-a-kind limited NFT digital edition of these beautiful tigers, with all proceeds going to the tiger fundraiser.

Guests can enter in a Raffle to win the “Extreme Feed” package, a tigers-feeding opportunity, and participate in an exciting Auction, which will include the following bidding options:

- Adopt a Tiger for a Year
- Trainer for a Day Experience
- The Ultimate Children's Tiger Birthday Celebration
- The Ultimate Grown-Up's Tiger Birthday Celebration
- Afternoon Tea with Blue the Snow White Bengal Tiger
- Afternoon Tea with Lilly the Royal White Bengal Tiger
- Dinner With Tigers Private Seating
- Name A Tiger Cub For Life
- Houdini Dinner Experience!
